

Directors Guide 2026

Keeping your clients informed

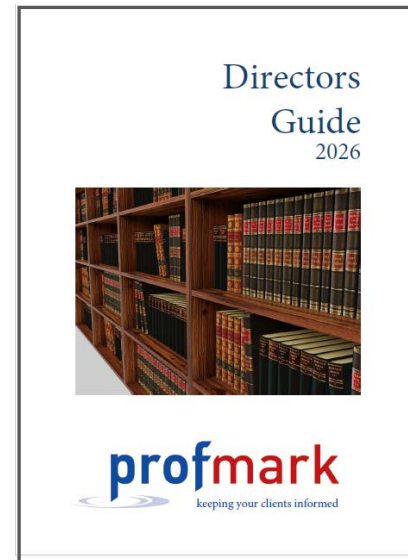

This guide is intended as an easy reference guide for directors, shareholders, company officers and any other stakeholder with an interest in corporate governance.

We have updated it to include new information in the following areas:

- King V™ Report on Corporate Governance for South Africa, which was launched on 31st October 2025 by the Institute of Directors in South Africa (IoDSA).
- Companies Amendment Acts, 2024

Key areas covered include inter alia:

- Environmental, Social, Governance (ESG) and Directors
- CIPC
- The structure of the Board of Directors, committees and meetings
- Rights and Powers of Directors
- Liability of Directors, including liability under POPIA
- Defences and Relief for Directors
- Duties and Responsibilities of Directors
- Indemnification and Director's Insurance
- Corporate Governance and POPIA and PAIA
- Financial Assistance
- Reckless Trading
- Solvency and Liquidity Test
- The Role of the Public Officer in the Company
- A Directors checklist
